Dear Parent:

Please take the time to fill out the following survey. I realize some of the questions are on the application form, but those remain in the cumulative files in the office and this survey will remain with me. There are no right or wrong answers and this survey will in no way determine acceptance into the program. It will help me to know your child better and assist me with the interview process. Thank you for your time and help.

Sincerely,
Kindergarten Teacher
